

EVERYTHING CHANGES. EXCEPT THE FUTURE VALUE OF YOUR BMW.

BMW SELECT FINANCE.

BMW Financial Services

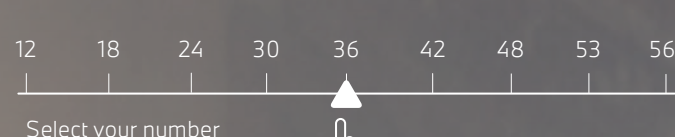

Whilst everything changes around you, there is one constant you can rely on - the Guaranteed Future Value of your BMW. Trust BMW Select Finance to shield you from depreciation, give you end-of-term peace of mind and put you behind the wheel of a new or Approved Used BMW*.

HOW BMW SELECT FINANCE WORKS:

1 SELECT THE DEPOSIT THAT'S RIGHT FOR YOU STARTING FROM 0%

2 TAILOR YOUR MONTHLY PAYMENTS.

Select your number of instalments.

Estimate how far you plan on travelling during your contract term in convenient increments of 5 000 km, starting at 10 000 km and up to 95 000 km.

3 GUARANTEED FUTURE VALUE

Based on your selection, we'll determine the Guaranteed Future Value (GFV) of your vehicle. This GFV means you don't pay for the full vehicle price in your monthly instalments. Rather, the instalments are based on the purchase price of your vehicle minus any deposit and minus the GFV. For this reason you not only enjoy lower monthly payments, but you also don't need to worry about the vehicles future value, and possible trade-in shortfall.

*Selected vehicles less than 2 years old.

AT THE END OF YOUR CONTRACT TERM:

You have the freedom to choose from the following options:

Purchase a new BMW

Return your current vehicle and choose a new BMW that suits your individual needs.

Keep your BMW

If you decide to keep your BMW, we can either refinance the outstanding amount or you can settle the lump sum.

Return your BMW

If you choose to return your BMW, we will be happy to help.

LOOK FORWARD TO THE FUTURE.
